Scholastic Year 2019-2020 Parent Circular No.4A
Re: Information for the New Senior Secondary Students and Payment for the Registration Fee

11th July 2019

Dear Parents/Guardians,

Your child _____ has been admitted to Secondary _____. Please pay attention to the following details:

(1) School Curriculum

Students are required to study the four core subjects (Chinese Language, English Language, Mathematics and Liberal Studies) and two electives of their own choice. Parents are thus cordially invited to assist the child with the selection of electives according to their interest and aptitude. The school, with the right to make the final decision, would refer to the prioritized choices and take into consideration both the student's academic performance and the admission quota on each subject when assigning a combination of electives to a student. Please complete the reply slip below and return it to the general office with the photocopies of the school reports on the following day of registration.

(2) Registration

Admitted students are required to complete the admission procedures and pay the registration fee of HK\$310 (It is equal to the sum of 2019/2020 Tong Fai.) on the same day of registration.

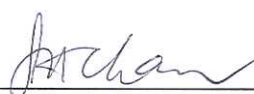

*Note: Approved by the Educational Bureau, no refund of the registration fee will be made for those students who wish to withdraw the application from the school.

(3) The school year-open ceremony

The school year-open ceremony for 2019/2020 will be held on 2nd September, Monday at 8:15 a.m. All students should be in neat and tidy summer uniform and bring along their own stationery. The school will dismiss at around 11:30 a.m. that day.

Thank you for your attention to the above.

Yours faithfully,

Chan Sun Hang
Principal
