

Caritas Wu Cheng-chung Secondary School
2019/2020 Scholastic Year Parent Circular No. 9
Re: the Use of Mobile Phones on Campus

2nd September, 2019

Dear Parents/Guardians,

In view of parents' need to keep in touch with their children after school, the school has, over the years, permitted students to bring their mobile phones provided the following rules are observed:

1. Only ONE mobile device is allowed(including tablet);
2. Mobile phones must be turn off before enter school area;
3. None of the functions of the phone can be used in school area.

For security reasons and to ensure students pay full attention in class, all students are required to hand over their mobile phones to their respective class teachers before the first lesson each day. All devices will be kept for custody and will be returned at school ends. If any of the above rules are violated, punishment will be given and parents will be contacted to get back the mobile phone.

Aiming to instill in students a positive learning attitude and to secure a rewarding campus life, the practice has well been received and supported by parents.

A school telephone is indeed available in the reception area near the school entrance for students' use. Careful consideration for the necessity of students bringing their mobile phones to school is thus encouraged and parents are welcome to address any enquiries to the respective class teachers.

Yours faithfully,

Dr. Chung Chi Yuen, Stanley
Principal
