

12th November, 2019

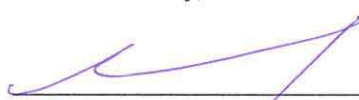

Dear Parents/Guardians,

In order to equip our students well for the HKDSE, **all F.5 and F.6 students** are required to order 2018-2019 HKDSE past papers. There are also past papers of previous years and other reference books open for ordering. May all students who want to purchase the above-mentioned items, please fill in the order forms with clearly-written information including names, classes, items wanted and the sum. Return this reply slip, the order form and a receipt or a debit note to the class teacher by 20th November, 2019. The payment details are as follows:

Method 1	Deposit the sum to Hang Seng Bank via the counter or ATM (Automatic Teller Machine) of Hang Seng Bank. The account number is 374 -138881 001 and the account name is The Commercial Press (H.K.) Limited. Return the debit notice, the reply slip and the order form to the class teacher. Please write the student's name, class and class number at the back of the debit notice.
Method 2	Pay the correct amount at any 7-Eleven Store. Staple the receipt and the order form together and return them to the class teacher. Please write the student's name, class and class number at the back of the receipt.

The HKDSE is a steep hill to climb. The results play a crucial part in determining our children's future. We hope every student can equip oneself at the best to combat the challenges ahead and lead a fruitful life in the future.

Yours faithfully,

Dr. CHUNG Chi-yuen, Stanley
