Annual School Picnic

4th December, 2019

Dear Parents/Guardians,

To broaden our students' horizons, enrich their learning experiences and promote both co-operation and team spirit among students, the school will hold the Annual School Picnic on 13th December (Friday). Please refer to the table overleaf for the respective gathering time and venue of each class. Please complete and submit the reply slip to the class teacher by 6th December (Friday). Parents' presence and participation will be much appreciated. The other points to be noted are as follows:

1. All students must attend. Students should not be absent without any acceptable reason. If students are not able to participate in any outdoor activities, parents must submit a written application for the school's approval in advance. Those students must come back to school by 8:15 a.m. that day and stay for some learning tasks until school ends at 3:30 p.m. as usual.
2. Students must gather at the confirmed location on time. Those who are late must come back to school and finish the assigned learning tasks until 3:30 p.m. If there is a special reason to leave early or students do not gather at the location, a written application from parents must be submitted in advance for the school's approval.
3. If a student is sick and cannot attend, parents have to inform the school in the morning that day. A parent's letter and a doctor's certificate for sick leave have to be submitted to the class teacher.
4. Please pay attention to any announcement on the radio or any broadcasting channels for the most up-to-date weather conditions. It is necessary for your son/daughter to take an umbrella, a windbreaker and if necessary, sunscreen. When Tropical Cyclone Signal No. 1 or No. 3 or the Yellow Rainstorm is hoisted before 6:15 a.m., the School Picnic will be cancelled. Students must come back to school as usual. When there is a rainstorm warning signal, either red or black, or Tropical Cyclone Signal No. 8 or above is issued, all classes will be suspended and the School Picnic will accordingly be cancelled.
5. S1-S3 students **have to put on school PE uniform and sports shoes**. S4-S6 students may wear casual sportswear and shoes. Take both your HKID card and student card.
6. Students are advised to put on insect repellent, long-sleeved t-shirts and trousers in order to prevent any bites of mosquitoes and thus lower the risk of being infected with dengue fever.
7. Students have to obey all school rules. Lighters, cigarettes and alcohol are strictly prohibited.
8. Students have to follow teachers' instructions and enjoy only on the agreed spot.
9. For safety reasons, cycling, fishing, swimming, rowing or any other dangerous activities are strictly prohibited. If there is an accident, students have to report to the teacher immediately.
10. Students have to protect the environment, prevent hill fire, keep the place clean and obey the rules set by the management of the place.
11. The school bus service will be provided as usual that day.

Yours faithfully,

Dr. CHUNG Chi Yuen, Stanley
Principal
