2019/2020 Scholastic Year Parent Circular No.41

12th June, 2020

Dear Parents/Guardians,

Re: Scholastic Year Final Examination

The Scholastic Year Final Examination will be held from 2nd July, 2020 to 7th July, 2020

Below are the details about the examination.

1. Enclosed please find a timetable for the examination. Please be reminded of the special arrangements for the examination time.
2. Assessment of Physical Education, Music (Practical) and Oral will be conducted during normal lessons from 23rd June, 2020 to 30th June, 2020.
3. Examinations will be re-scheduled to later date in case of suspension of class announced by the EDB. When school is resumed, all scheduled examinations will be held as usual.
4. Students should be punctual and attend all the sessions of examinations. If a student can present a proper medical certificate to show that his/her absence was caused by illness or if he/she can present evidence to prove that he/she was physically unable to be present in the examination, a supplementary examination will be arranged. All the supporting documents and/or a parent's letter should be submitted to the school on the day the student is back to school.
5. For those absentees who cannot present any medical certificates or evidence for their absence, '0' mark will be given for that paper/subject.
6. Students' academic performance is very important in the consideration of promotion at the end of the school year. The minimum requirement for promotion is an average of 45 marks in the whole year for S1 to S3. For S4 to S5, the minimum requirement is 40 marks. S4 and S5 students with the average mark of any one of the elective subjects below 30 are strongly recommended to drop out.
7. The attendance of students should be more than 80% for the consideration of promotion. For special reasons, students should provide a proper medical certificate to apply for exemption.
8. If any S4 and S5 repeater has failed to fulfill the requirement for promotion, no repeater place will be offered again.
9. Regulations of examination are attached. Parent and Students should fully understand and agree.

Thank you for your attention.

Yours faithfully,

Dr. CHUNG Chi Yuen Stanley
Principal
