

Dear Parents/Guardians,

Re: 1st Term Standardized Tests

The 1st Term Standardized Tests will be held from 3rd November, 2020 to 6th November, 2020. The marks of these tests will be counted as part of the total of the 1st Term Examination.

Below are the details about the tests.

1. Enclosed please find the timetable for the tests. Please be reminded of the special arrangements for the test time.
2. During the test days, students may leave school and go home for their revision after the last test of the day.
3. Examinations will be re-scheduled to later date in case of suspension of class announced by the EDB. When school is resumed, all scheduled examinations will be held as usual.
4. Students should be punctual and attend the whole session of the tests.
5. If a student can present a proper medical certificate to show that his/her absence was caused by illness or if he/she can present evidence to prove that he/she was physically unable to be present in the test, his/her performance in the 1st Term Examinations will be counted as the whole term mark. All the supporting documents and/or a parent's letter should be submitted to the School on the day the student is back to school.
6. For those absentees who cannot present any medical certificates or evidence for their absence, '0' mark will be given for that paper/subject.
7. Students' academic performance is very important in the consideration of promotion at the end of the school year. The minimum requirement for promotion is an average of 45 marks in the whole year for S1 to S3. For S4 to S5, the minimum requirement is 40 marks. S4 and S5 students with the average mark of any one of the elective subjects below 30 are strongly recommended to drop out.
8. Besides, students' conduct is also considered in the promotion. Students with a fail in the conduct may need to repeat.
9. The attendance of students should be more than 80% for the consideration of promotion. For special reasons, students should provide a proper medical certificate to apply for exemption.
10. If any S4 and S5 repeater has failed to fulfill the requirement for promotion, no place will be offered from our school again.
11. Regulations of examination are attached. Parent and Students should fully understand and agree.
12. After the tests, an academic report will be issued and delivered to the parents on the Parents' Day (28th November, 2020). Please reserve time to collect the report in person.

Thank you for your attention.

Yours faithfully,

Dr. CHUNG Chi Yuen, Stanley
Principal
