2020/2021 Scholastic Year Parent Circular No. 34  
Arrangements for resumption of face-to-face classes

27<sup>th</sup> November, 2020

Dear Parents/Guardians,

As reported from the Centre for Health Protection on 27/11/2020 (11:48 am), our 3B student who was initially confirmed the infection of COVID-19 is now confirmed as 'negative' after running the second test. Starting from 30/11/2020, face-to-face lessons will be resumed. Cleaning Service Company is employed to sterilize the whole school today.

Since there is increasing number of confirmed cases of COVID-19 recently, please be reminded of the following arrangements,

1. May all parents please make sure to have checked the body temperature of your child before school and fill in the temperature record form for Class Teachers' checking.
2. All students should check body temperature again upon arrival to school and use hand sterilizers.
3. May all parents take notice of your child's health situation. If your child is sick, do not let them attend school. Please bring your child to consult doctors as soon as possible, inform school and stay home for rest. Your child should follow the instructions of doctors and attend school only after full recovery.
4. Other than physical condition, please also pay attention to your child's emotions and liaise with school. We are always ready to support.

Our school will keep close contact with the Centre for Health Protection (CHP) and closely monitor the health conditions of our staff and students. If parents want to obtain more information of COVID 19, please refer to the relevant website: <https://www.coronavirus.gov.hk/eng/index.html> or call the CHP hotline (Phone number: 2125 1111 / 2125 1112, service hours from 8 a.m. to 12 midnight). For enquiries, please call your respective Class Teachers or contact school at 2817 2318.

Thank you for your attention.

Yours faithfully,  
Dr. Chung Chi Yuen, Stanley  
Principal
