Dear Parents/Guardians,

Re: S6 Mock Examination

The Mock Examination will be held from 25/1/2021 (Monday) to 5/2/2021(Friday).

Below are the details about the examination.

1. Enclosed please find the timetable for the examinations. Please be reminded of the special arrangements for the examination times.
4. During the examination, all calculators to be used should show the [HKEA APPROVED] mark.
5. If there is a bad weather signal and the Education Bureau has announced that there is no school for all schools in Hong Kong, the examinations on that day will be rearranged and to be informed.
6. Students should be punctual and attend the whole sessions of the examinations.
7. If a student can present a proper medical certificate to show that his/her absence was caused by illness or if he/she can present evidence to prove that he/she was physically unable to be present in the examination, a supplementary examination will be arranged. All the supporting documents and a parent's letter should be submitted to the School on the day the student is back to school. For those absentees who cannot present any medical certificates or evidence for their absence, '0' mark will be given for that paper/subject.
8. After the Mock Examination, S6 students should attend the normal lessons until 26/2/2021(Friday). Afterwards, students are recommended to have their revisions at home. If they have supplementary classes at school, they should wear school uniform.

Thank you for your attention.

Yours faithfully,

Dr. CHUNG Chi Yuen, Stanley  
Principal
