2020/2021 Scholastic Year Parent Circular No.43  
Arrangement for Reporting of Cases

27<sup>th</sup> January, 2021

Dear Parents/Guardians,

In view of the unstable condition of COVID-19 outbreak, there are increasing numbers of compulsory testing for certain persons and restriction-testing declaration. School is now giving some instructions for students and parents to follow.

**If any student is subjected to compulsory testing/classified as a “close contact” of an infected person with COVID-19/confirmed to be infected by COVID-19:**

1. Student is not allowed to enter school area, and should follow the instructions from a doctor or governor.
2. Parent or guidance should immediately inform school officer by calling 2817 2318. With detailed information, school can make proper arrangement.
3. School will impose crisis intervention to handle any mental issue and support any special educational needs.
4. If student has entered school area, school will shut down the school for disinfection, according to the Centre for Health Protection.
5. Parents or guidance should inform the school immediately after receiving the test result. School reserves the right to request the testing report.
6. Parents or guidance should be informed that upon request by Centre for Health Protection, school has the duty to disclose all relevant information.

Lastly, despite the disastrous impacts by COVID-19, our staffs are here to help, in all aspects such as academic, mental, and personality. We are here to guide our students to overcome any troubles. With this experience, we believe our students will be equipped with a tougher mental strength and will fly high in the future.

Please complete the following reply slip and return to Mr. WONG pan man on or before 1<sup>st</sup> February. For enquiries, please contact school at 2817 2318.

Thank you for your attention.

Yours faithfully,

\_\_\_\_\_  
Dr. CHUNG Chi Yuen, Stanley  
Principal
