2020/2021 Scholastic Year Parent Circular No.45  
Application for Applied Learning Courses (2021-23 Cohort) to be commenced  
at S.5 of the 2021/22 school year

1<sup>st</sup> March, 2021

Dear Parents/Guardians,

Apart from the four core subjects (Chinese Language, English Language, Mathematics and Liberal Studies), our school encourage students of different abilities, interests and aspirations to take Applied Learning (ApL) courses to broaden their horizons, and to realise their talent and potential. Students who have successfully completed the ApL courses will also receive ApL certificates from the individual course providers that could open up more opportunities for further studies or occupational choices.

Parents/students should carefully consider the following matters before submitting application:

1. The duration of each ApL course is 180 contact hours, generally spanning the S.5 to S.6 academic year. Lessons are mainly held on Saturdays and school holidays.
2. Lessons are held at the course providers' venues and delivered by the tutors from the course providers. Students must bear the transportation expenses by themselves.
3. The results of student performance in ApL will be reported on the HKDSE certificate and the reporting of ApL students' performance is refined to 3 levels:

ApL performance	Category A subjects of the HKDSE Exam
Attained	Level 2
Attained with Distinction (I)	Level 3
Attained with Distinction (II)	Level 4 or above
Candidates with performance below the standard of "Attained", or attendance rates below 80%, will be designated as "Unattained", which will not be reported on the certificate.	

4. Course fee is fully subsidized by the EDB.
5. The availability of ApL courses for students to apply depends on the number of places and interview result (according to interview performance, academic results, conduct, attendance and comments by the class teacher).
6. Please browse this website for Prospectus for ApL Courses (2021-23 Cohort):
