15th March, 2021

Dear Parents/Guardians,

Taosheng Publishing House is raising funds for the event of the "Children’s Worship: Rejoice in the Lord" textbook series and related activities (including teaching and training). To cultivate children’s thoughts through using teaching materials, picture books, it is hoped that parents and tutors can explore their faith and give blessings to parents, tutors and students of the parish, community and school. Our school has always been committed to cultivating students to care for others and practice the virtue of love. Therefore, the registration fee is paid for all students in the school to participate in one-mile walking event. Through joining this “Other Learning Experience” activity, we also hope that students can serve the society and support Taosheng Publishing House to optimize teaching materials, foster students’ positive values and live a prosperous life.
