2020/2021 Scholastic Year Parent Circular No.49
Purchase Tablet and install a Mobile Device Management program(MDM) matters

22nd March, 2021

Dear Parents/Guardians,

In order to fully implement the Bring Your Own Device (BYOD) program from Secondary One to Secondary Five this year so that learning activities and iPad apps can be executed smoothly, the tablet must meet the specified specifications (Apple iPad 10.2-inch 128 GB WiFi version 8th generation or above).

If the student's home has a tablet that meets the above requirements, it can be brought back to the school for use. However, the school will install a mobile device management program (MDM) on the tablet for the parents. App Store on tablets will be banned. Neither parents nor students can install apps that are not related to learning, such as games apps, and the tablet should only be used by students for learning.

If parents want to install other learning-related applications for their students due to their learning needs, **they can fill in the application form for installing additional applications, specifying the reason for the installation. If approved by the school, the school will install it via MDM program.**

In order to facilitate the purchase of related tablets, our school has contacted suppliers to set up sales booth for parents to purchase on 24th March. For students and parents who have received full or half subsidy through the Community Care Fund Subsidy Program, they do not need to purchase them. The school has already purchased iPads and MDMs on their behalf.

Parents of students who do not have any subsidies or want to bring their own devices back to school can come to our school to order them on the spot. The details of the sales booth are as follows:

Date: 24/3/2021 (Wednesday)
Time: 12:00pm – 14:00pm
Venue: 1/F booth near Tuck shop

Parents can choose to buy them **in person** or **through the students themselves** at our school on 24th March. If parents are unable to make an order on site, they can submit the order form in Annex 1 together with a check or deposit slip to the class teacher through the students themselves on or before 31st March.

Payment method

Check: Please make the cheque payable to "Senco-Masslink Technology Limited"
Bank transfer: HSBC bank account number: 083-9-019817, Account Name: "Senco-Masslink Technology Limited". Please provide a copy of bank transfer.

Please sign the reply slip on the next page and return it to the class teacher on or before Wednesday, 24th March. If you have any enquiries, please call 2817 2318 to contact Mr. FAN Kei Faat or Mr. AU YEUNG Tsz Wing.

Yours faithfully,
