Dear Parents/Guardians,

Re: Scholastic Year Final Examination

The Scholastic Year Final Examination will be held from 3rd June, 2021 to 17th June, 2021. Below are the details about the examination.

1. Enclosed please find a timetable for the examination. Please be reminded of the special arrangements for the examination time.
2. Assessment of Physical Education, Music (Practical) and Oral will be conducted during normal lessons from 25th May, 2021 to 1st June, 2021.
3. Examinations will be re-scheduled to later date in case of suspension of class announced by the EDB. When school is resumed, all scheduled examinations will be held as usual.
4. Students should be punctual and attend all the sessions of examinations. If a student can present a proper medical certificate to show that his/her absence was caused by illness or if he/she can present evidence to prove that he/she was physically unable to be present in the examination, a supplementary examination will be arranged. All the supporting documents and/or a parent's letter should be submitted to the school on the day the student is back to school.
5. For those absentees who cannot present any medical certificates or evidence for their absence, '0' mark will be given for that paper/subject.
6. Students' academic performance is very important in the consideration of promotion at the end of the school year. The minimum requirement for promotion is an average of 45 marks in the whole year for S1 to S3. For S4 to S5, the minimum requirement is 40 marks. S4 and S5 students with the average mark of any one of the elective subjects below 30 are recommended to drop out.
7. Besides academic results, the attendance and conduct of students are included for the consideration of promotion.
8. If any S4 and S5 repeater has failed to fulfill the requirement for promotion, no repeater place will be offered again.
9. Regulations of examination are attached. Parent and Students should fully understand and agree.

Thank you for your attention.

Yours faithfully,

Dr. CHUNG Chi Yuen, Stanley
Principal

Regulations of Examinations

1. Students should prepare their stationary and calculator in advance. After the start of examination in each session, students are not allowed to ask teachers or classmates to borrow things, including calculators and stationary.
2. During the examinations, after the recess, students should go back to the examination rooms immediately. Students are **not allowed** to stay in the tuck shop area. Students should enter the examination venues at **least 5 minutes** before the start of examinations. Late comers in the 2nd session will receive a penalty of deducting marks or a demerit.
3. If students are found to have any unauthorized materials on their desks or on their body, or any electronic/communication devices (including the mobile phones and smart watches) in operating mode during the examination, students may be disqualified from the examination.
4. Students **will not be permitted** to leave the examination room within the **first 45 minutes** of the examinations.
5. During the examination, students should keep quiet. After having finished all the sessions, students may go home to have their revisions. Don't stay in the classrooms or around the tuck shop area unless accompanied by teachers. Students who have broken the regulations of exam will receive punishments without warning.
